I.(a) House System

- Every child is allotted a House on the day of admission to the school, to which the child contributes his/her best to uphold the motto of respective house.
- The Houses compete in sporting, cultural and academic competitions and this provides an excellent platform to synergize learners of different ages where they and their houses are rewarded points based on their excellence and performance level.
- Champion House Trophy is awarded to the House with the highest point total on the Grand Annual Day of the School. There is a wonderful sense of camaraderie generated throughout the school with the house system.
